

Community Health Leadership Initiative [CHLI]

The pathway into sexual and drug use health careers in San Francisco for future workforce members. A hub linking participants to community programs that support, build, and raise a robust workforce.

This **FREE** pilot program offers the chance to receive guidance from a career mentor, gain educational skills, and engage in networking opportunities throughout the community.

Are you or someone you know interested in participating?

Access our interest form here!

<https://forms.gle/M6dYNUJVqwdwmJRV9>

Geared towards people who are newly interested in sexual and drug user health!
